Fabulous Lace Pattern:

(This even-number stitch pattern is reversible, with no right or wrong sides.)

Row 1: *K1, yo...*across the row.

Row 2: Knit across the row, dropping all the yarn overs.

Rows 3-5: Knit across

Row 5: *K1, yo twice...*across the row.

Row 6: Knit across, dropping all of the double yarn overs.

Row 7-9: Knit across

Row 10: *K1, yo three times...*across the row

Row 11: Knit across row, dropping all of the triple yarn overs.

Row 12-14: Knit across

Directions:

Measure and cut (22) 12" lengths of handspun for fringe...(11) for each end. Put aside for attaching later.

With US 9 needle (or correct size to make gauge), CO 15 stitches loosely.

Knit 3 rows.

Repeat rows 1-14 of the Fabulous Lace pattern until you have 18-24" left. (Try to end on Row 14 so that the scarf will look symmetrical.)

BO loosely. Weave in the two yarn ends at each side of scarf.

Take 2 pieces of fringe, fold in half and hold folded part along the edge of the scarf. Using the crochet hook, go into one of the very bottom stitches of the scarf, grab the folded end of fringe and pull through, making a slip knot. Repeat with the other 11 pieces, distributing

the fringe evenly along the edge. Do the same thing for the other end of the scarf.

Wear and enjoy!

Note: *The scarf becomes more unique and beautiful with the use of a slight variegation of a single color in your handspun yarn. If you choose a semi-solid colorway for your fiber and spin it with no rules in mind, the resulting yarn will be amazing when used with this pattern.*

Congratulations, you're done! (Please email me finished pics for my Sleepy Eyes Gallery!) I hope you've enjoyed this pattern and if you have any comments, questions or find any errors (hopefully not!), please contact me here:
