by  
Gina House*

## Materials:

150 yards of worsted weight (10-11 wpi) handspun yarn  
(Sereknity's 4 oz. beautiful batt was used in this pattern, "Bonfire" colorway. Please visit Sereknity at: <http://www.sereknity.com> and <http://sereknityboutique.etsy.com>)

**Size:** US 9 straight needles, Size G crochet hook, Scissors, tapestry needle, measuring tape

**Gauge:** 14 stitches to 4.5 inches in Roman Lace pattern

## Abbreviations:

K = knit

p = purl

yo = yarn over from back to front of needle

k2tog = knit two stitches together knitwise

CO = cast on

BO = bind off

## Roman Lace Pattern:

(This even-number stitch pattern is reversible, with no right or wrong sides.)

Row 1: K1, \*yo, k1..., \*repeat until last stitch, k1

Row 2: K1, \*p..., \*repeat until last stitch, k1

Row 3: K1, \*k2tog..., \*repeat until last stitch, k1

Row 4 and 5: K1, \*yo, k2tog..., \*repeat until last stitch, k1

Row 6 and 7: Knit across

## Directions:

Measure and cut (24) 8" lengths of handspun for fringe...(12) for each end. Put aside for attaching later.

With US 9 needle (or correct size to make gauge), CO 14 stitches loosely.

Repeat rows 1-7 of the Roman Lace pattern for 50", or until desired length (which will require more handspun yarn).

BO loosely. Weave in the two yarn ends at each side of scarf.

Take 2 pieces of fringe, fold in half and hold folded part along the edge of the scarf. Using the crochet hook, go into one of the very bottom stitches of the scarf, grab the folded end of fringe and pull through, making a slip knot. Repeat with the other 10 pieces, distributing the fringe evenly along the edge. Do the same thing for the other end of the scarf.

Wear and enjoy!

**Note:** *The scarf becomes more unique and beautiful with the use of a slight variation of a single color in your handspun yarn. If you choose a semi-solid colorway for your fiber and spin it with no rules in mind, the resulting yarn will be amazing when used with this pattern.*

Congratulations, you're done! (Please email me finished pics for my Sleepy Eyes Gallery!) I hope you've enjoyed this pattern and if you have any comments, questions or find any errors (hopefully not!), please contact me here:
